

Blue Sunshine Day

The Grubb Blog...

I'm an entrepreneur. All my life I have dreamed big. You see you have to try in order to be a success or failure at something. Being a business owner means there will be many successes and many failures. You just keep moving forward. Learn from your mistakes, adapt to change, learn daily, don't be afraid to ask for help, read as much as you can, and trust the Lord with all your heart. Put God first and ask him to take the reins and go for it.

Puddles

This is one of those days that I woke up with what I call a rainy headache. Every time we get a heavy rain, the next day I have a sinus headache which usually takes me a few days to recover. Sigh! I'm sure it's an allergy to some type of mold. Nevertheless, this too shall pass.

On days like today I have to choose to find the good. If I choose to start counting my blessings it isn't long until I realize I'm blessed even when the day didn't start well.

Time to raid my closet. Rain boots, umbrellas, and rain coats. Yep, all I need.

Hum. Rainy days! Without the rain things wouldn't thrive. So, today I choose to thrive with a rainy headache... well I'm going to strive to thrive. Lol.

So much sadness and evil in the news. It really takes putting forth effort to find motivational things to watch in the morning. I have resorted to YouTube. Laughter and love can be found if you search. Some mornings it's Fixer Upper... other mornings it's "how to" video clips. My absolute favorite are surgeries. The human body is a complex and intricate machine. Amazing! The scripture teaches me that I am fearfully and wonderfully made.

A favorite quote from Winnie the Pooh, "Think, think, think."

Yep, I think I'll think on good things today and enjoy the rain.

Splish Splash!

Time to grab my umbrella, slip on my rainboots
and make this a good day!

I can handle the rain!

Play in the puddles!

Psalm 139:14 KJV: "I will praise thee; for I am fearfully and wonderfully made: marvellous are thy works; and that my soul knoweth right well."
